---

Core curriculum areas if transferred from another Texas public institution that considers the course part of its core curriculum will be automatically counted toward appropriate requirement (19 Texas Administrative Code § 4.28). Students who complete the core curriculum at another Texas public institution are deemed to have satisfied the entire core curriculum at UT Austin. While it is recommended that students complete two courses from the same series, courses from more than one series may be combined to fulfill the Natural Science, Part I requirement.
