To the Faculty Supervisor: The Center for Women’s and Gender Studies understands that all of our faculty affiliates come from disciplines all over campus. Therefore, we do not have a one-size-fits-all undergraduate thesis template. CWGS defers to the Faculty Supervisor on undergraduate thesis specifications. Please remember that this undergraduate thesis project is to be completed over one semester. CWGS recommends establishing a timeline early in the project and meeting with the student about once a week. Thank you for your support of our WGS majors!
