Course Description: The Second Year Polish continues the exploration of the language. The course will emphasize proficiency in contemporary Polish: listening, reading, speaking, and writing. Second Year Polish seeks to integrate knowledge of the culture and society of contemporary Poland with the acquisition of grammar and vocabulary.

Course Requirements: You are expected to be in class on time, participate, do all homework and assigned coursework, take quizzes and exams.

Quizzes

You will have vocabulary, grammar, and quizzes checking your listening and reading comprehension through the semester.

The instructor reserves the right to not announced quizzes. Come prepared to class!

You can make up the quiz if you are absent, but you need to arrange with me the make up in my office ASAP.

Midterm Oral

You will be scheduled to meet with me to have a conversation in Polish.

Homework

All assignments must be handed in on the day they were assigned for. If you miss the class, turn in your homework ASAP.

They are not graded for correctness.

Exceptions: You will have written assignments. You need to turn it in by the deadline, no later since I want to monitor your progress. You will be assigned a grade for some of the written paragraphs. Some will be just for practice.

Attendance/ Participation

This course meets three days a week for 50 minutes. Attendance is very important. You may miss a total of 4 class meetings without occurring any penalty. Further absences will count against your participation grade.

You will miss one point from your final grade points for every additional absence.

Please, be on time. The tests and quizzes will start and finish for all students at the same time. If you show up late, you have lost time – and I will not repeat instructions or oral questions that you have missed. You have to finish the test or quiz at the same time as other students.

Final Exam

This is going to be a final oral interview conducted in Polish in my office.

Extra Credit:

I would like you to reach out to the Polish Community in Austin.

I will announce events organized by Austin Polish Society. You can check out their website www.austinpolsishsociety.org

Try to attend at least on event this fall. It will give you the opportunity to meet native speakers, taste our Polish food, practice your language skills, and expand your culture knowledge.

The maximum allowed extra points is three.
