JENNIFER S. BEER

Office Address

Department of Psychology 1 University Station A8000 University of Texas at Austin Austin, TX 78712

Office: (512) 471-3224 Fax: (512) 471-5935 beer@mail.utexas.edu

Education

B. A. (1996) Psychology & Rhetoric, University of California, Berkeley Ph.D. (2002) Psychology, University of California, Berkeley

Professional Experience

Professional Positions	
2011-present	Associate Professor of Psychology
	University of Texas at Austin
2007-2011	Assistant Professor of Psychology
	University of Texas at Austin
2006-2007	Harrington Faculty Fellow
	Department of Psychology
	University of Texas, Austin
2004-2007	Assistant Professor of Psychology
	Core Faculty, Center for Mind and Brain
	University of California, Davis
2002 to 2004	Post-Doctoral Researcher,
	Dr. Mark D'Esposito, University of California, Berkeley
	Dr. Bob Knight, University of California, Berkeley

Research and Conference Grants

Ongoing

BCS 1147776 NSF (PI)

\$251,214

06/12-5/15

"Self-Esteem Threat as a Moderator of the Mechanism Underlying Exaggerated Positivity"

BCS 0746017 NSF (PI)

\$658,786

06/08-05/12

"Orbitofrontal Cortex and Emotion-Cognition Interactions"

Completed

Office of the Vice President for Research (PI) \$6,000 09/07-08/08 "Social Influences on Decision-Making: A Gene-Hormone-Brain Approach"

1 R03 DA021222-01 NIH/NIDA (PI)

\$144,519

9/05-8/07

"Regulating Approach Impulses: Implications of Orbitofrontal Function for Addiction"

APA Science Directorate Conference Grant (PI) \$10,000

"Neural Systems of Social Behavior"

National Science Foundation \$12,413

08/01-07/02

5/07

Doctoral Dissertation Improvement Grant

Sigma Xi grant-in-aid (National Org)
Sigma Xi grant-in-aid (Berkelev Chapter)

\$540 \$432 5/01

Sigma Xi grant-in-aid (Berkeley Chapter) \$432 5/99

Professional Presentations

Talks

Beer, J.S. (2013, May). The Two Faces of Self-serving Cognition: How the Brain Matters. Invited departmental colloquium. Princeton University, Princeton, NJ.

- Beer, J. S. (2012, September). Self-serving Cognition: Motivations and Mechanisms. Invited departmental colloquium. Vrije University, Amsterdam, Netherlands.
- Hughes, B. L., & Beer, J.S. (2012, May). A rose by many names? Using neural methods to distinguish between different perspectives on rose-colored self-evaluations. Association for Psychological Science, Chicago, Illinois.
- Bhanji, J.P., & Beer, J.S. (2012, April). From snap judgments to final impressions: Neural markers for adjusting first impressions of other people. Social Affective Neuroscience Society, New York, New York.
- Beer, J.S. (2012, January). Using and Understanding fMRI. Invited presentation at the Graduate Training Preconference, Society for Personality and Social Psychology annual conference, San Diego, California.

- Freedman, G., & Beer, J. S. (2012, January). Rejecting to be accepted: When prosocial motivations collide. Society for Personality and Social Psychology annual conference, San Diego, California.
- Hughes, B. L., & Beer, J. S., (2012, January). Protecting the self: The effect of threat on neural representations of self. Society for Personality and Social Psychology annual conference, San Diego, California.
- Beer, J. S., (2011, October). Cognitive and Affective Aspects of Self-serving Cognition: A Social Neuroscience Perspective. Invited colloquia at the Psychology Department, Haverford College, Philadelphia, PA.
- Beer, J. S., (2011, October). Self-serving Cognition: Motivations and Mechanisms. Invited colloquia at the Social Psychology Brown Bag, New York University, New York, NY.
- Beer, J.S. (2011, July). Is self-serving cognition "Hot" or "Cold"?: New insights from brain research. Paper presented at the 16th meeting of the European Association for Social Psychology, Stockholm, Sweden.
- Beer, J.S. & Freedman, G. (2011, June). Rejecting to be Accepted: Individual Differences in the Reconciliation of Conflicting Socioemotional Goals. Paper presented at the 2nd annual meeting of the Association for Research in Personality, Riverside, California.
- Beer, J.S. (2011, March). This Time with Motivation: Neural Systems of Social Cognition Beyond the MPFC. Invited presentation for the Neuroscience and Cognitive Science colloquium series at the University of Maryland, College Park, Maryland.
- Beer, J.S. (2010, October). A Rose by Another Name: Neural Systems of Motivated Social Cognition. Invited presentation at the annual meeting of the Social and Affective Neuroscience Society, Chicago, Illinois.
- Bhanji, J. P., & Beer, J. S. (2010, May). Self-Control Goals in the Brain: Separating Points for Potential Failure. Paper presented by J. Bhanji at the annual meeting of the American Psychological Society, Boston, Massachusetts.
- Bhanji, J. P. & Beer, J. S. (2010, May). Neural activity related to distinct approach states is influenced by prepotent and higher-order goals. Paper presented by J. Bhanji at the annual meeting of the Society for the Study of Motivation, Boston, Massachusetts.
- Beer, J.S. (2010, April). Frontal Lobe Modulation of Self-Monitoring. Invited presentation at the Wisconsin Symposium on Emotion, Madison, Wisconsin.
- Beer, J.S. (2010, March). The Frontal Lobes Crack Rose-Colored Glasses of the Self and Other. Invited paper presentation at the Frontal Lobes meeting, Toronto, Canada.

- Beer, J.S. (2010, January). Reduced Cognitive Control Supports Positivity Biases in Social Evaluation. Paper presented at the annual meeting of Society for Personality and Social Psychology, Las Vegas, Nevada.
- Beer, J.S. (2009, October). Positivity Bias in Social Evaluation: A Neural Perspective. Colloquium at Emory University, Atlanta, Georgia.
- Mehta, P. & Beer, J. S. (2009, October). Neural Mechanisms of the Testosterone-Agression Relation: The Role of Orbitofrontal Cortex. Paper presented by P. Mehta at the annual meeting of the Social and Affective Neuroscience Society, New York, New York.
- Beer, J.S. (2009, May). The Brain Basis of Motivated and Non-Motivated Self-Perception. Invited paper presentation at the annual meeting of the Society for the Study of Motivation, San Francisco, California.
- Beer, J.S. (2009, May). Emotional Influences on the "Default" Self. Invited paper presentation at the annual meeting of the American Psychological Society, San Francisco, California.
- Beer, J.S. (2009, May). Positivity Bias and Self-Evaluation. Invited paper presentation at the annual meeting of the American Psychiatric Association, San Francisco, California.
- Beer, J.S. (2009, April). Neural Underpinnings of Social Perception Biases. Colloquium presented at New York University, New York, New York.
- Beer, J.S. (2009, April). Automaticity of Unrealistically Positive Social Evaluations: A Neural Perspective. Colloquium presented at Cornell College, Ithaca, New York.
- Beer, J.S. (2009, March). Positivity Bias in Social Evaluation: A Neural Perspective. Colloquium presented at the University of Georgia, Athens, Georgia.
- Freeman, H.D., & Beer, J.S. (2009, January). Frontal lobe activation mediates the relation between sensation-seeking and cortisol increases. Talk presented by H. Freeman at the annual meeting of the Society for Personality and Social Psychology. Tampa, FL.
- Beer, J.S. (2008, November). Neural Basis of Self-Perception Bias. Colloquium presented at the University of Michigan, Ann Arbor, Michigan.
- Beer, J.S. (2008, July). <u>Neural Systems of Emotion Regulation</u>. Paper presented at the Summer Science Institute on Cognitive Neuroscience, Resort at Squaw Creek, Tahoe, California.
- Beer, J.S. (2008, April). Emotions Often Depend on Self-Evaluation Accuracy. Paper presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, California.
- Beer, J.S. (2008, March). Neural Distinctions Between Emotional and Motivated Decision-Making. Invited colloquium at Carnegie Mellon University, Pittsburgh, Pennsylvania.

- Beer, J.S. (2008, February). Imaging Self-Evaluation. Invited paper presentation at Imaging Imagining, The Mirror System and Beyond: The Neural Representations of Self and Other (NIMH/NIDA) Workshop, Bethesda, Maryland.
- Beer, J.S. (2008, February). Frontal Lobe Contributions to Social Behavior. Invited paper presentation at the Training Committee Preconference for the annual meeting of Society for Personality and Social Psychology, Albuquerque, New Mexico.
- Beer, J.S. (2008, February). Overconfidence Bias: A Neural Perspective. Invited paper presentation at the Judgment and Decision-Making Preconference for the annual meeting of Society for Personality and Social Psychology, Albuquerque, New Mexico.
- Beer, J.S. (2008, February). Neural Distinctions Between Emotional and Motivated Decision-Making. Paper presentation at the annual meeting of Society for Personality and Social Psychology, Albuquerque, New Mexico.
- Beer, J. S. (2007, October). Orbitofrontal Cortex and Self-Monitoring. Invited paper presentation at Social Neuroscience: Developing More Powerful Behavioral Interventions (NIDA) Workshop, Bethesda, Maryland.
- Beer, J.S. (2007, October). A Neural Perspective on Self-Insight Accuracy. Invited paper presentation at the annual meeting of Society for Experimental Social Psychology, Chicago, Illinois.
- Beer, J.S. (2007, August). A Neural Perspective on Self-Insight Accuracy. Invited paper presentation at the Dartmouth Minary Meeting, New Hampshire.
- Beer, J. S. (2007, June). Neural Basis of Self-Knowledge and Self-Awareness (Part II). Invited paper presentation at the Summer Institute of Cognitive Science, Santa Barbara, California.
- Beer, J.S. (2007, June). Frontal Lobe Contributions to Social Behavior. Invited paper presentation at the M.I.N.D. Research Seminar Series, Sacramento, California.
- Beer, J.S. (2007, June). Orbitofrontal Cortex and Social Rule Use. Invited paper presentation at the Jean Piaget Society, Amsterdam, Holland.
- Beer, J. S. (2007, May). Frontal Lobe Contributions to Social Regulation. Invited paper presentation at the annual convention of the Western Psychological Association, Vancouver, Canada.
- Beer, J.S. (2007, May). Orbitofrontal Cortex: Making Emotion Work For You <u>and</u> Not Against You. Paper presentation at the Neural Systems of Social Behavior conference, Austin, Texas.

- Beer, J.S. (2007, April). Frontal Lobe Contributions to Social Behavior. Invited colloquium at Wellesley College, Wellesley, Massachusetts.
- Beer, J.S. (2007, April). Neural Distinctions between Emotional and Motivated Decision-Making. Invited colloquium at the Wharton School, Philadelphia, Pennsylvania.
- Beer, J.S. (2007, January). A new perspective on orbitofrontal cortex function: Evidence from TBI and fMRI. Invited colloquium at the Austin Neuropsychological Society Meeting, Austin, Texas.
- Beer, J. S. (2007, January). Is the self special?: A social neuroscience investigation. Paper presentation at the annual meeting of Social Psychologists in Texas, University of Texas, A&M, College Station, Texas.
- Beer, J. S. (2006, December). Frontal Lobe Contributions to Social Behavior. Invited colloquium at the Department of Psychology and Neuroscience, Duke University, Durham, North Carolina.
- Beer, J. S. (2006, November). Neural Systems Distinguish Emotional and Motivational Decision-Making. Paper presentation at the Society for Judgment and Decision-Making, Houston, Texas.
- Beer, J.S. (2006, October). Neural Systems Underlying Emotion and Motivational Decision-Making. Invited colloquium at the Center for Decision Research, University of Chicago, Illinois.
- Beer, J. S. (2006, September). Frontal Lobe Contributions to Social Regulation. Invited colloquium at the Department of Psychology Colloquia Series, University of Texas, A&M, College Station, Texas.
- Beer, J.S. (2006, September). Self-regulation of Social Behavior. Colloquium at the Department of Psychology, Social-Personality Colloquia Series, University of Texas, Austin, Texas.
- Beer, J.S. (2006, August). Orbitofrontal Cortex and Self-monitoring. Invited paper presentation at the annual convention of the American Psychological Association, New Orleans, Louisiana.
- Beer, J.S. (2006, May). The Role of the Orbitofrontal Cortex in Social Behavior. Invited colloquium at the Institute for Empirical Research in Economics, University of Zurich, Zurich Switzerland.
- Beer, J. S. (2006, April). Distinguishing Helpful from Hurtful Emotional Influences on Decision-making. Paper presented at the annual convention of the Cognitive Neuroscience Society, San Francisco, California.
 - Beer, J. S. (2006, March). Self-monitoring and the orbitofrontal cortex. Invited

- colloquium at the Social-Personality Psychology Colloquia Series, University of Washington, Seattle, Washington.
- Beer, J.S. (2006, January). How Neurally Distinct are Self- and Other-Perceptions? Paper presented at the annual convention of the Society for Personality and Social Psychology, Palm Springs, California.
- Beer, J.S. (2006, January). Self and other judgments of emotional reactions after moral infractions. Invited paper presentation at the Emotion pre-conference at the annual convention of the Society for Personality and Social Psychology, Palm Springs, California.
- Beer, J.S. (2005, May). Orbitofrontal Cortex: Emotion-Cognition Interactions. Invited paper presentation at the Princeton Social Neuroscience conference, Princeton, New Jersey.
- Beer, J.S. (2005, May). Motivated Influences of Emotion on Cognition. Invited paper presentation at the Motivational Neurosciences conference hosted by Columbia University, Arden, New York.
- Beer, J.S. (2005, April). Escaping Phineas Gage. Invited departmental colloquium at University of Oregon, Eugene, Oregon.
- Beer, J.S. (2005, April). Self-regulation and the Orbitofrontal Cortex. Invited colloquia at Cognitive Science Colloquium Series, University of Arizona, Tucson, Arizona.
- Beer, J.S. & Srivastava, S. (2005, January). Implicit self-theories and Self-regulation. Symposium Chair, paper presented at the Sixth Annual convention for Society for Personality and Social Psychology, New Orleans, Louisana.
- Beer, J.S. & Srivastava, S. (2004, October). Implicit self-theories and Social Control. Paper presented at the Society for Experimental Social Psychology conference, Fort Worth, Texas.
- Beer, J.S. (2004, September). Orbitofrontal Cortex: Monitoring and Inhibition. Invited paper presentation at the Cognitive & Affective Neuroscience and Behavioral Treatment Development: new Directions for Translational Research National Institute on Drug Abuse (NIDA) Workshop, Bethesda, Maryland.
- Beer, J. S. (2004, May). Executive control and social behavior. Invited paper presentation at the American Psychological Society, Chicago, Illinois.
- Beer, J. S. (2004, May). <u>Orbitofrontal cortex and social regulation</u>. Invited paper presentation at the Social Neuroscience: People Thinking About People conference, Chicago, Illinois.
- Beer, J. S. (2004, April). <u>Orbitofrontal cortex and self-regulation.</u> Paper presented at the Social Cognitive Neuroscience pre-conference at the annual convention of the Cognitive Neuroscience Society, San Francisco, California.

- Beer, J. S. (2004, January). <u>Neuroscience methods: What can and can't they tell us about psychological processes?</u> Paper presented at the Social Cognitive Neuroscience pre-conference at the annual convention of the Society for Personality and Social Psychology, Austin, Texas.
- Beer, J. S., John, O. P., Scabini, D., & Knight, R. T. (2003, November). <u>Orbitofrontal</u> cortex and self-insight. Paper presented at the Society for Neuroscience, New Orleans, Louisiana.
- Beer, J. S., Shimamura, A. P., & Knight, R. T. (2003, July). <u>Frontal lobe contributions to the executive control of social behavior</u>. Paper presented at the Summer Science Institute, Resort at Squaw Creek, Tahoe, California.
- Beer, J. S. (2002, October). <u>Self-regulation and self-conscious emotion</u>. Paper presented at the Psychology Colloquium Series, Stanford University, Stanford, California.
- Beer, J. S. (2002, July). <u>The role of self-conscious emotion in self-regulation: Lessons from orbitofrontal damage</u>. Paper presented at the Psychology Colloquium Series, University of British Columbia, Vancouver, Canada.
- Beer, J. S., Roberts, N. A., Werner, K. H., Scabini, D., Levenson, R. W., & Knight, R. T. (2002, February). <u>The role of self-conscious emotion in self-regulation.</u> Paper presented at the Society for Personality and Social Psychology annual convention, Savannah, Georgia.
- Beer, J. S., & Robins, R. W. (2000, February). <u>Positive illusions: Their correlates and consequences</u>. Paper presented at the Society for Personality and Social Psychology annual convention, Nashville, Tennessee.
- Beer, J. S. (1999, August). <u>Implicit self-theories and the social domain</u>. Paper presented at the Asian Social Psychological Society convention, Taipei, Taiwan.
- Beer, J. S. (1998, December). <u>The interpersonal self.</u> Paper presented at the Social-Personality Psychology Colloquium Series, University of California, Davis.

- Bhanji, J. P., Beer, J. S. (2009, March). Neural Correlates of Emotional Influences on Decision Making. Poster presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, California.
- Hughes, B.L., & Beer, J.S. (2009, January). Accuracy in self-evaluations: Working hard or hardly working? Society of Personality and Social Psychology; Tampa, FL.
- Bhanji, J. P., Beer, J. S. (2008, February). Preference based decisions recruit different neural systems for different modes of evaluation. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.
- Bhanji, J. P., Beer, J. S., & Bunge, S. A. (2007, May). Neural underpinnings of rule use under uncertainty. Poster presented at the Neural Systems of Social Behavior conference, Austin, Texas.
- Bhanji, J. P., Beer, J. S., & Bunge, S. A. (2007, May). Action and consequence in neural representations of uncertainty. Poster presented at the Cognitive Neuroscience Society, New York, New York.
- Ochsner K. N., Robertson E. R., Beer J. S., Cooper J. C., & Gabrieli J. D. E. (2004, April). Dissociating personal perspective and person perceived in judgments of self and other. Poster presented at the Cognitive Neuroscience Society, San Francisco, California.
- Beer, J.S., Heerey, E. A., Keltner, D., Scabini, D., & Knight, R. T. (2002, November). Orbitofrontal cortex and self-monitoring. Poster presented at the Society for Neuroscience, Orlando, Florida.
- Heerey, E. A., Beer, J. S., Scabini, D., Knight, R. T., & Keltner, D. (2002, November). Orbitofrontal cortex and emotional understanding. Poster presented at the Society for Neuroscience, Orlando, Florida.
- Werner, K. H., Roberts, N. A., Beer, J. S., Levenson, R. W., Rosen, H., & Miller, B. L. (2002, September). <u>Does the orbital frontal cortex differentially impact responding to anticipated noxious stimuli</u>? Poster presented at the Society for Psychophysiological Research, Washington DC.
- Srivastava, S., John, O. P., Beer, J. S., & Gross, J. J. (2002, February). <u>Relationship formation and interpersonal perception: Some consequences of emotional experience and expression</u>. Poster presented at the Society for Personality and Social Psychology, Savannah, Georgia.
- Beer, J. S., Roberts, N. A., Werner, K. H., Ivry, R. B., Scabini, D., Levenson, R. W., & Knight, R. T. (2001, November). <u>Orbitofrontal cortex and self-conscious emotion</u>. Poster presented at the Society for Neuroscience, San Diego, California.

- Roberts, N. A., Levens, S. M., McCoy, K., Werner, K. H., Beer, J. S., Scabini, D., Knight, R. T., & Levenson, R. W. (2001, November). <u>Orbitofrontal cortex and activation of</u> defensive responses. Poster presented at the Society for Neuroscience, San Diego, California.
- Roberts, N. A., Werner, K. H., Beer, J. S., Levenson, R. W., Perry, R. J., Rosen, H. R., & Miller, B. L. (2001, September). <u>Cerebral lateralization of emotion in patients with frontotemporal dementia</u>. Poster presented at the Society for Psychophysiological Research, Montreal, Canada.
- Werner, K. H., Roberts, N. A., Beer, J. S., Ebling, R., Levenson, R. W., Perry, R. J., & Miller, B. L. (2001, September). <u>Emotional understanding in frontotemporal dementia</u>. Poster presented at the Society for Psychophysiological Research, Montreal, Canada.
- Beer, J. S., Roberts, N. A., Werner, K. H., Levenson, R. W., Perry, R. J., & Miller, B. L. (2001, February). <u>Emotional expression and temporal lobe function</u>. Poster presented at the Society for Social and Personality annual convention, San Antonio, Texas.
- Beer, J. S. (2000, February). <u>Implicit self-theories of shyness in a novel social situation</u>. Poster presented at the Society for Personality and Social Psychology annual convention, Nashville, Tennessee.
- Beer, J. S., & Kihlstrom, J. F. (1999, August). <u>Self-representations in close relationships</u>. Poster presented at the American Psychological Association annual convention, Boston, Massachusetts.
- Anderson, C. P., Beer, J. S., & Robins, R. W. (1998, August). <u>A measure of self-perception motives: Construction and validation.</u> Poster presented at the American Psychological Association annual convention, San Francisco, California.
- Pals, J. L., Hendin, H. M., & Beer, J. S. (1998, August). <u>Self-defining memories and life transformation</u>. Poster presented at the American Psychological Association annual convention, San Francisco, California.
- Beer, J. S. (1998, July). <u>Self-defining memories and romantic relationships.</u> Poster presented at the Biannual European Conference on Personality, Surrey, United Kingdom.
- Anderson, C. P., Beer, J. S., & Robins, R. W. (1998, July). <u>Self-perception motives:</u> <u>Construction and validation of a self-report measure.</u> Poster presented at the Biannual European Conference on Personality, Surrey, United Kingdom.
- Beer, J. S. & Robins, R. W. (1997, August). <u>Implicit self-theories and shyness: Effect on strategies for social situations.</u> Poster presented at the American Psychological Association annual convention, Chicago, Illinois.
- Beer, J. S. & Robins, R. W. (1996, June). <u>Consequences of positive illusions: A longitudinal study.</u> Poster presented at the American Psychological Society annual convention, San Francisco, California.

Service and Activities

Conference and Training Organizer/Organized Symposia/Society Committees		
2012-2013	President, Social and Affective Neuroscience Society	
2012-2014	Member-at-Large, Society for Personality and Social Psychology	
2012	Invited Symposia Chair: Session on Social Neuroscience Annual Meeting of Human Brain Mapping	
2012	Symposia Chair: Threat's Effect on the Self And How the Self Fights Back: New Insights From Psychological, Developmental, and Neurobiological Perspectives Annual meeting of Society for Personality and Social Psychology	
2012	Symposia Chair: The Many Faces of Social Rejection Annual meeting of Society for Personality and Social Psychology	
2011, 2012	Instructor, Master Course on Social Neuroscience Vrije University, Netherlands	
2010-2013	Executive Committee, Society for Experimental Social Psychology	
2010-2012	Executive Committee, Social and Affective Neuroscience Society	
2010	Symposia Chair: Social Evaluation: New Insights from Social Neuroscience Annual meeting of Society for Personality and Social Psychology	
2009-present	Council Member, Society for the Study of Motivation	
2009	Society for Personality and Social Psychology Annual Meeting Program Committee	
2008-present	Organizing Committee, Social and Affective Neuroscience Society Meeting	
2008	Instructor, Spring School on Biopsychology of Emotion Emotion Regulation	
2007	Co-Instructor, Summer Institute in Social Psychology (SISP) Social Neuroscience Course	
2007	Invited Symposia Co-Chair: Social Neuroscience of Social Rule Use	

Annual meeting of Jean Piaget Society

2007 Conference Organizer: Neural Systems of Social Behavior

Austin, Texas

2006 Symposia Chair: Neural Underpinnings of Helpful and Hurtful

Emotional Processes

Annual meeting of Cognitive Neuroscience Society

2005 Symposia Chair: Self-Regulation Across Stages of Social

Interaction

Annual meeting of Society for Personality and Social Psychology

2004, 2005 Organizer: Social Cognitive Neuroscience Preconference for the

Annual meeting of Society for Personality and Social Psychology

2004, 2005 Organizer: Social Cognitive Neuroscience Satellite Meeting for the

Annual meeting of Cognitive Neuroscience Society

Editorial

2008 Methods in Social Neuroscience (with E. Harmon-Jones)

New York: Guilford Press

2008 to present Associate Editor, <u>Frontiers in Human Neuroscience</u>

2007-2008 Consulting Editor, Journal of Personality and Social Psychology

2006 Guest Editor, Special Issue, Brain Research

"Multiple Perspectives on the Psychological and Neural Bases

of Understanding Other People's Behavior"

2005-present Consulting Editor, Social Cognition

Consulting Editor, Emotion

Consulting Editor, Social Cognitive and Affective Neuroscience

Ad Hoc Reviewer

2002-present Journal of Personality and Social Psychology

Journal of Experimental Social Psychology

Journal of Cognitive Neuroscience

Proceedings of the National Academy of Sciences

Nature Neuroscience

Trends in Cognitive Sciences

Organizational Behavior and Human Decision Processes Journal of International Neuropsychological Society Cognitive, Affective, & Behavioral Neuroscience

Brain & Cognition

NeuroImage

2003, 2004, 2007, 2008 National Science Foundation Grants

National Institute for Health/National Institute for Drug Abuse

Review Panelist

2009-present National Science Foundation, Cognitive Neuroscience Program Innovational Research Incentive Scheme VENI programme

(Netherlands)

2006 National Science Foundation, Social Psychology Program

2006 Economic and Social Research Council Large Grant Program (UK)

Specialized Training

Facial Action Coding System Certification

Honors, Awards, and Fellowships

Bhanji, Beer, & Bunge (2010): "Top 10 Most Impactful Articles on Decision-Making" NeuroImage

Summer Research Assignment, University of Texas, Austin, 2008

7th most cited Assistant Professor in Social-Personality Psychology, *Dialogue*, 2008

Harrington Faculty Fellow Award, University of Texas, Austin, 2006-2007

Training Faculty, Bay Area Consortium on Affective Science, 2004-present

Summer Fellow, Center for Advanced Study of the Behavioral Sciences, 2004

Fellow, Summer Science Institute for Cognitive Neuroscience, 2000

Post-Doctoral National Research Service Award, 2002-2005

Conference Travel Awards (Society for Personality and Social Psychology, 2000, 2001; Social Cognitive Neuroscience, 2001)

Vessa Notchev Research Fellowship, 1999

National Science Foundation Graduate Research Fellowship, 1998-2001
