  Office: SAC 4.164
  Office hours: W 1:00 -3:00 or by appointment
  Telephone: 232-4876
  email: m.wade@mail.utexas.edu

Course Description and objectives: From the middle 18th century through the late 19th century the Great Plains region underwent drastic changes in terms of the environment, demography, and cultural diversity. The rapid influx of various groups of people into the Plains, from Native American groups to European settlers, made the Plains the ultimate theater to rehearse short-term strategies and long-term policies. This course will survey the ethnohistory of some of the most influential Native groups on the Plains, from the arrival of the Spanish through the reservation period. We will explore the relationships and interaction between European settlers and Native groups, as well as the outcome of some scientific expeditions and military campaigns. In this course, we will adopt a long-term perspective to make sense of the development of European policies and movements, the changing configurations among Native groups, and the pivotal importance of resources such as the buffalo, the horse, and the gun. We will also look at specific events and historical figures, such as Sitting Bull, Crazy Horse, and General Custer, whose actions became symbolic of a turbulent historical period.

Coursework/Grading:
Map test: 10 points. Students are allowed one re-take of the map test. Students can take the test twice and choose the highest grade.

Book Report: The Book Report assignment is meant to evaluate each student’s reading, comprehension and writing capabilities. To achieve these objectives this assignment will be composed of two steps:
  • Statement of Interest: students will prepare a ½ page description (typed, double-spaced) of the issue or issues they wish to discuss in the Crazy Horse and Custer Book Report. 5 points.
  • Book Report (typed, double-spaced and 3 to 5 pages in length): 10 points.

Text-Image Group Project: (typed, double-spaced, 5 to 10 pages in length): 20 points
  • The Text-Image Project is a group project. The maximum grade for the group is 15 points for each member of the group. The remainder five points is the maximum grade given to each student for their individual specific contribution to the overall project.

Term Research Paper: The Term Research Paper is meant to evaluate each student’s capabilities to choose and research a topic, organize that research, and present a well-written, cogent argument about that topic. Students will be given a range of topics based on the readings and class discussions. Like the Book Report, the Research Paper will be composed of two steps:
    Students will present a proposal of the topic they chose to research. This proposal has to indicate how the student intends to address and develop the topic chosen and should include at least two of the sources to be used in the paper. Term Research Paper: (typed, double-spaced and 10 pages in length): 20 points.
      In the Term Research Paper students also are expected to use at least three (3) sources from the books and readings assigned, and demonstrate individual research by using two (2) other sources procured by the student.
Written assignments will be graded on grammar, punctuation, style, comprehension and content. In these assignments, students are expected to demonstrate their ability to read, understand, synthesize, and critique the materials read.

All sources used in the written assignments have to be specifically and completely referenced in MLA or Chicago Manual of Style. Students are strongly encouraged to visit the Writing Center.

- Class participation: 20 points (40 classes at ½ pt each).
- Unscheduled quizzes and in-class assignments: 10 points

TEXTBOOKS (required):
Ambrose, Stephen E., Crazy Horse and Custer (paperback edition)
Calloway, Colin G., (editor) Our Hearts Fell to the Ground
Fletcher Alice C. and Francis La Flesche, The Omaha v. I and II (paperback edition 1992)
Sandoz, Mari, These Were the Sioux, University of Nebraska Press (paperback 1961). All books available at the UT Coop.

Electronic publications:
Students will also need to read a few portions of
John Ewers’ The Horse in Blackfoot Indian Culture available at The Smithsonian Institution Libraries site
http://www.sil.si.edu/DigitalCollections/bae/bulletin159/600/image0.htm
as well as
John Ewers’ Plains Indian History and Culture an ebook available through UT
(students will have to log in using their UTEID).
All other class readings will be available through Blackboard.

Class instructions (please read carefully):
- Class participation is required and absences will affect the final grade.
- Students have a second chance of passing the map test, but there will be no make-up for the quizzes.
- Assignments will be due on the appointed dates. This is a fairness issue. Any assignment delivered late for any reason will imply the loss of 2 points per day or fraction of the day, except for justified medical reasons.
- Scholastic dishonesty on any graded assignment will be dealt with according to University Rules.
- Please see: http://deanofstudents.utexas.edu/sjs/scholdis_whatis.php. This site contains also several useful links to students. On scholastic conduct see also:
  - http://www.utexas.edu/student/registrar/catalogs/gi05-06/app/appe11.html
  - Check with the instructor about the use of Web sources for written assignments.
  - All assigned readings are required. To access the readings from The Horse in Blackfoot Indian Culture see the site above. Required readings are shown in regular font, while optional readings are shown in bold.
  - For the readings from The Omaha, please note that page numbers shown in regular font are required; the ones in bold are optional.
- Students can begin working on the Term Paper at any time during the semester.
  - Mobile phones and other electronic equipment have to be switched off during class, and tape recorders are not permitted. If you need to use either, please request permission from your instructor. Students can use laptops in class but only for class related matters, except during discussion of reading assignments or quizzes.
- The University of Texas provides appropriate academic accommodations for students with disabilities. For more information please contact the Office of the Dean of Students at 471-6259 or 471-4641.
• Please do not ask for grades or grade information by email. Information about grades will only be given in
person, or through official means.

Schedule
Week 1
January 21
Introduction and general background
Plains themes: History of research, Culture areas and Environment

Readings:
Lowie: pp. 1-12 Blackboard
Calloway: pp. 1-14

Week 2
January 24-28
Plains themes: Prehistory (archaeological overview), Protohistory (European contact), Chronology.
Basic techniques used by anthropologists to analyze different cultures.
Cross-cultural perspectives.

Readings:
