Come prepared to class! You can make up the quiz if you are absent, but you need to arrange with me the make up in my office ASAP.

Midterm Oral

You will be scheduled to meet with me to have a conversation in Polish.

Culture presentation

This semester culture presentation will guide us through major Polish cities. The instructor will provide a list and a grading rubric.

Homework

All assignments must be handed in on the day they were assigned for. If you miss the class, turn in your homework ASAP. They are not graded for correctness. You must print your homework from the internet platform of the textbook. Exceptions: You will have written assignments. You need to turn it in by the deadline, no later since I want to monitor your progress. You will be assigned a grade for some of the written paragraphs. Some will be just for practice.

Attendance/ Participation

This course meets five days a week for 50 minutes. Attendance is very important. You may miss a total of 4 class meetings without occurring any penalty. Further absences will count against your participation grade. You will miss one point from your final grade points for every additional absence.

Please, be on time. The tests and quizzes will start and finish for all students at the same time. If you show up late, you have lost time – and I will not repeat instructions or oral questions that you have missed. You have to finish the test or quiz at the same time as other students.

Final Exam

This is going to be a final oral interview conducted in Polish in my office.
