Info sessions in FAC 1:
Every Tuesday, 11 a.m. - 12 p.m.
Every Wednesday, 3 - 4 p.m.

The Bridging Disciplines Programs (BDPs) at The University of Texas at Austin allow you to earn an interdisciplinary certificate in one of eleven different concentration areas:

• Cultural Studies
• Digital Arts and Media
• Environment
• Ethics and Leadership
• Global Studies
• Human Rights and Social Justice
• Innovation, Creativity, and Entrepreneurship
• Social Entrepreneurship and Non-profits
• Social Inequality, Health, and Policy

BDPs combine courses that fulfill core requirements, electives, and courses for your major with unique research and internships that connect your BDP topic with your major and career goals. With planning, the BDP should NOT add time to your UT career. Rather, the BDP helps you choose the courses you already have to take in an integrated way, giving you the opportunity to develop a secondary area of specialization.

One of the goals of the BDPs is to help you make your education fit your individual interests and goals. BDP advisors are here to help you find courses, research opportunities, and internship experiences that complement your major, while also supporting you in developing knowledge and experience you would not otherwise find within your degree plan.

Are you interested in learning more about the Bridging Disciplines Programs? Come to an Information Session with BDP Advisors.

Can’t make it to an info session? Call (512) 232-7564 or stop by FAC 1 to make an appointment.

The SPHSP is a collaboration between the Colleges of Public Health, Physicians and Surgeons, Dental Medicine, and Nursing. This is a bachelor’s-level initiative targeting underrepresented students to learn about public health, specifically minority health disparities. This is a unique program because it is geared towards high-potential students who may or may not have any prior knowledge of public health.

During the program, students are introduced to the field of public health by taking courses in several disciplines. Students are also placed in an internship, which may focus on health policy, environmental health, behavioral health, epidemiology, or another public health field. The common thread between all these internships is the issue of health disparities. The program includes a week-long trip to Atlanta to visit the Centers for Disease Control.

Eligible students will be U.S. citizens or permanent residents; be enrolled in an accredited college or university or be recent graduates (within one year); and have an overall GPA of 2.5 or above.

Read the newsletter to learn about courses, registration, advising, job opportunities and special events.

2. Submitting to Plan2News

Please keep in mind that although Plan2News enjoys a substantial and diverse readership, its circulation is still relatively small. It should not be relied upon as the sole advertisement for a position or an event. To reach a wider audience, please use university-wide electronic and paper advertising outlets.

Personal and political announcements will not be published in Plan2News. Job and internships announcements must be sent to the Liberal Arts Career Services office, after which they may be considered for publication in the newsletter.

To place a news item in Plan2News, you must do the following:

• Type your news item in the body of an e-mail to planiinewsletter@austin.utexas.edu.
• In the subject line, write “Plan2News” exactly.
• Give the name of a contact person with phone number or e-mail address.
• Provide an activity date or a deadline.
• Do not use “we” or “I.” Please write your submission in third person.
• Write in complete sentences and use correct grammar.
• News items will run until your deadline or through two issues of the newsletter if no deadline is provided.
• The text of submitted newsletter items (including job and internship postings) must be fewer than 150 words, not including headline and contact information. Please edit your entries to this length before submission. An overly lengthy entry will be returned to its sender and will not appear until this standard is met.
• Send your news item to planiinewsletter@austin.utexas.edu no later than 3 p.m. on Monday (for the Tuesday letter) or 3 p.m. on Thursday (for the Friday letter). The 3 p.m. deadline is final.
