Shakespeare’s mischievous comedy of lovers, heroes, fairies, and rude mechanicals is his tribute to humankind’s power of imagination. John Ford’s brilliant re-imagining of Romeo and Juliet leads audiences deep into a story of passion, lust, vengeance, greed, incest, and murder. After almost 400 years, ‘*Tis Pity She’s a Whore’s’ tale of forbidden love remains controversial, shocking, and theatrically spellbinding. Tickets can be purchased online in advance through the [Shakespeare at Windeale](http://www.shakespeareatwindale.org) web site. Seating is limited so advance ticket purchase is recommended.

   This year, the scholarship awards have doubled from $3,000 to $6,000 per year to better reflect the true cost of an education. The downside is that the Foundation is unable to offer as many scholarships as in the past. But in addition to these larger scholarships, it continues to offer a few smaller ones with specific designations as you will read online.

   Headliners Foundation is one of the most prestigious scholarships in the state, not just because of the money awarded, but because of the recognition it provides. Students are invited to the awards luncheon in Austin each fall. In addition, this year it will identify other ways to mentor its scholars throughout the year.

Spring application deadline: Thursday, March 8

Info sessions in FAC 1:
- Every Tuesday, 11 a.m. - 12 p.m.
- Every Wednesday, 3 - 4 p.m.

The Bridging Disciplines Programs (BDPs) at The University of Texas at Austin allow you to earn an interdisciplinary certificate in one of eleven different concentration areas:
- Children and Society
- Conflict Resolution & Peace Studies
- Cultural Studies
- Digital Arts and Media
- Environment
- Ethics and Leadership
- Global Studies
- Human Rights and Social Justice
- Innovation, Creativity, and Entrepreneurship
- Social Entrepreneurship and Non-profits
- Social Inequality, Health, and Policy

BDPs combine courses that fulfill core requirements, electives, and courses for your major with unique research and internships that connect your BDP topic with your major and career goals. With planning, the BDP should NOT add time to your UT career. Rather, the BDP helps you choose the courses you already have to take in an integrated way, giving you the opportunity to develop a secondary area of specialization.

One of the goals of the BDPs is to help you make your education fit your individual interests and goals. BDP advisors are here to help you find courses, research opportunities, and internship experiences that complement your major, while also supporting you in developing knowledge and experience you would not otherwise find within your degree plan.

Are you interested in learning more about the Bridging Disciplines Programs? Come to an Information Session with BDP Advisors.

Can’t make it to an info session? Call (512) 232-7564 or stop by FAC 1 to make an appointment.

Columbia University Summer Public Health Scholars Program (SPHSP)

   **Application deadline:** Tuesday, February 14

   The SPHSP is a collaboration between the Colleges of Public Health, Physicians and Surgeons, Dental Medicine, and Nursing. This is a bachelor's-level initiative targeting underrepresented students to learn about public health, specifically minority health disparities. This is a unique program because it is geared towards high-potential students who may or may not have any prior knowledge of public health.

   During the program, students are introduced to the field of public health by taking courses in several disciplines. Students are also placed in an internship, which may focus on health policy, environmental health, behavioral health, epidemiology, or another public health field. The common thread between all these internships is the issue of health disparities. The program includes a week-long trip to Atlanta to visit the Centers for Disease Control.

   Eligible students will be U.S. citizens or permanent residents; be enrolled in an accredited college or university or be recent graduates (within one year); and have an overall GPA of 2.5 or above.
