THE STORY:
Seemingly comfortably ensconced in his charming Connecticut home, Sidney Bruhl, a successful writer of Broadway thrillers, is struggling to overcome a dry spell which has resulted in a string of failures and a shortage of funds. A possible break in his fortunes occurs when he receives a script from a student in the seminar he has been conducting at a nearby college—a thriller which Sidney recognizes immediately as a potential Broadway hit. Sidney's plan, which he devises with his wife's help, is to offer collaboration to the student, an idea which the younger man quickly accepts.

Thereafter suspense mounts steadily as the plot begins to twist and turn with devilish cleverness, and with such an abundance of thrills and laughter, that audiences will be held enthralled until the final, startling moments of the play.

Director: Connor Healy

SYNOPSIS:
A man (PETER) sits peacefully reading in the sunlight of Central Park. There enters a second man (JERRY), a soul in torture and rebellion. He longs to communicate so fiercely that he frightens and repels his listener. He is a man drained of all hope who, in his passion for company, seeks to drain his companion. With provocative humor and unrelenting suspense, Jerry, in yearning for mutual understanding and genuine connection, slowly, but relentlessly, brings Peter down to his own atavistic level as he relates a story about his visit to the zoo.

Deadline: April 15

Plan II students who will be juniors or advanced sophomores next year and who are interested in medicine, public health, law and government are invited to apply for structured internships in the offices of leading Senators in the Texas Legislature. This six-unit, two-semester TC 330 course is led by Professor Alfred McAlister at The University of Texas School of Public Health Austin Regional Campus. It includes seminars and training sessions in the first semester, placement in a Senate office with assignment to selected policy issues, writing assignments and student presentations.

Time commitments are for ten to fifteen hours per week of seminar time and internship work in the Fall 2013 and Spring 2014. These unpaid positions provide a unique opportunity to learn about and contribute to legislative deliberation of policy issues. These may include health care funding, public health and preventive medicine, environmental protection, labor safety, international trade and commerce, criminal law, victim services and many other diverse topics.

This experience can provide a distinct competitive advantage for applicants to post-graduate programs in medicine, law and related professions. Students who excel in their Senate work have gone on to medical school at Harvard and Johns Hopkins, Yale Law School and other fine professional schools. A maximum of fifteen students will be selected for this course.

To apply, please provide your name, EID, contact information, expected graduation date, list any second majors/concentrations/certificates you are pursuing in addition to Plan II (if applicable), plans for postgraduate education, career goals, GPA, résumé, and a brief statement of interests and qualifications. Applications should be submitted in hard copy format to Melissa Ossian in the Plan II Office (CLA 2.102) by 5pm on Monday, April 15, 2013.

**Plan II Honors Rowe Koehl Travel Award**

Application deadline: April 15

Thanks to a generous gift from Judy (’63) and her husband Mike Koehl, Plan II is able to offer the annual Rowe Koehl Travel Award. This award is intended to help fund one student’s self-guided exploration abroad.

This scholarship is not listed in the Online Scholarship Portal. To apply, write a one page proposal of your travel plans that includes where you plan to go, why you plan to go there, and what you hope to learn. For example, do you have a burning curiosity about a distant land? Are there specific questions you would like to answer about a foreign culture? If so, tell us about them. In most cases, the awardee will not be traveling abroad for academic credit, but rather to explore their world. Send your letter of application, together with a proposed budget and your EID to the Plan II Travel Grant Coordinator, Phillip Dubov at planischolarships@austin.utexas.edu.

Winners of the Rowe Koehl Travel Award are required to submit a short report of their experience to the donors, with a copy to Plan II, after travel is complete.

The Rowe Koehl Travel Award is $2000. Travel occurs during the summer semester. Questions: Phillip Dubov phillip.dubov@gmail.com

Apply for a 2013 Summer/Fall Plan II Travel Grant

Deadline: April 15

**PURPOSE:** Plan II Travel Grants are made to Plan II students only, for academic purposes such as:

- Attending a conference in your field
- Study abroad (any program, whether or not sponsored by UT)
- Gathering data in anticipation of a thesis project (SENIORS: If you are enrolled in the thesis course, use the Plan II Thesis Grant, even if you are traveling to do research: [http://www.utexas.edu/cola/progs/plan2/current_stdnts/scholarship/thesis-grant.php](http://www.utexas.edu/cola/progs/plan2/current_stdnts/scholarship/thesis-grant.php))
- Plan II does not help you pay for nonacademic travel.

**NOTE:** Plan II Travel Grants are not intended to cover the entire cost of your proposed travel or project. Only one type of grant will be awarded per student, per travel program or project.

**WHEN TO APPLY:** Plan II conducts two rounds of grant applications each year. For travel in the summer semester OR the following fall/full academic year, students should apply in the spring. For travel occurring in the spring semester or a Maymester, students should apply during the fall round.

**AMOUNT:** Awards typically range between $500 and $2,000. In most cases, Plan II will pay only part of your costs for the trip. You must therefore seek funds from other sources as well, but your Plan II application must show all of your expenses for the trip.

**SPECIAL NOTE - RESTRICTED**

**TRAVEL:** The University of Texas
System requires all travel to countries with U.S. Department of State Travel Warnings to be reviewed and approved by the University's International Oversight Committee (IOC). Students wanting to travel to restricted regions category 1-3 must complete a Student Request to Travel to Restricted Regions form. We strongly advise students to complete this form during the program application process. Waiting to complete the petition process could result in a student not receiving a travel clearance or denial in time for departure. Individual students concerned about this policy should direct questions to their specific study abroad Program Coordinator before contacting the UT International Risk Analyst.

HOW TO APPLY: Apply using the College of Liberal Arts Online Scholarship Portal.
• If you have not used the system before, you will have to complete a one-time profile. Then you will see a list of scholarships for which you are eligible to apply.
• Look for the scholarship titled, "Plan II Travel Grant - 2013" This application may be used for either domestic or conference travel or study-abroad.

"Changing the Way Business Thinks About Energy"
Tuesday, April 16 from 11:30 - 1 p.m.

The AT&T Conference Center and Texas Enterprise invite you to "Changing the Way Business Thinks About Energy" on Tuesday, April 16, by Plan II alum, Michael Webber, Ph.D., Associate Professor at the Cockrell School of Engineering.

The world is evolving, and global energy demand is shifting to meet the needs of a more modernized society. At the same time, the U.S. is entering an era in which markets, technologies and policies are enabling dramatic increases in production of oil, gas, wind, solar and bioenergy - in turn affecting global economies, the environment, and our national security posture. Professor Webber will identify the key trends that are reshaping the energy sector, including economic and population growth, industrialization, an expanding electrical grid, smarter energy systems, and a policy push for domestic, low-carbon, and renewable fuels.

The discussion will focus on how a newfound shift in economic philosophy is creating new business opportunities in the energy sector, allowing companies to increase profit margins while decreasing resource consumption - which will simultaneously boost the economy and protect the environment.

Tuesday, April 16 11:30 a.m. - 1:00 p.m.

News items for the letter include announcements from the Plan II office and the Plan II Student Association and performances and exhibits by Plan II students.

Read the newsletter to learn about courses, registration, advising, job opportunities and special events.

**Submitting to Plan2News**

Please keep in mind that although Plan2News enjoys a substantial and diverse readership, its circulation is still relatively small. It should not be relied upon as the sole advertisement for a position or an event. To reach a wider audience, please use university-wide electronic and paper advertising outlets.
Personal and political announcements will not be published in Plan2News. Job and internships announcements must be sent to the Liberal Arts Career Services office, after which they may be considered for publication in the newsletter.

To place a news item in Plan2News, you must do the following:

• Type your news item in the body of an e-mail to plan2newsletter@austin.utexas.edu.
• In the subject line, write “Plan2News” exactly.
• Give the name of a contact person with phone number or e-mail address.
• Provide an activity date or a deadline.
• Do not use “we” or “I.” Please write your submission in third person.
• Write in complete sentences and use correct grammar.
• News items will run until your deadline or through two issues of the newsletter if no deadline is provided.
• The text of submitted newsletter items (including job and internship postings) must be fewer than 150 words, not including headline and contact information. Please edit your entries to this length before submission. An overly lengthy entry will be returned to its sender and will not appear until this standard is met.
• Send your news item to plan2newsletter@austin.utexas.edu no later than 2 p.m. on Monday (for the Tuesday letter) or 2 p.m. on Thursday (for the Friday letter). The 2 p.m. deadline is final. Do not send your message to any other address. No one else can approve news items for inclusion in the Plan II newsletter and no other address will be used to receive entries.
