Jigsaw Activity: In the Time of the Butterflies Research Folders

DIRECTIONS: You will work in your jigsaw groups to read, analyze, and take notes about the papers and artifacts in your assigned folder. Answer any questions on this handout, and be prepared to use your notes to teach other students about the materials found in your jigsaw group’s folder.

Items in Folder #_____________ (Number and list each item.)

Notes: (Take notes about the content and meaning of each item.)

Inquiry: (Write one question that you have about the materials in the folder. Use these questions to discuss the materials further with your group members.)

Questions:
1. What would you title your folder given the elements found within it?

2. For what purpose or message do you think this research could be used?

3. From where do you think most of these materials were obtained?

4. How do you think these materials will be used for In the Time of the Butterflies?
