The supervising committee for the REPORT requirement for the Master of Arts degree in Mexican American and Latina/o Studies consists of at least two faculty members, one a supervisor and one a reader. The supervisor must be able to issue a letter grade (be a member of the Graduate Studies Committee in Mexican American and Latina/o Studies). A co-supervisor and/or reader may not be affiliated with the Department of Mexican American and Latina/o Studies, but only if that faculty member is paired with a faculty member who is a member of the GSC in MALS.
