Please note: CWGS prefers that nominees gather all the supporting materials and submit them as a packet. If recommenders submit letters themselves, that is acceptable but the letters must be received by the deadline. **CWGS does not contact individuals for their letters of recommendation; we leave this up to the award nominee.** The award nominee should use the checklist (see Gilbert Award Application Checklist in bulleted list above) to notify CWGS on how many letters to expect and who will be writing letters of recommendation for the award nominee.
