Junior Cohort
Year 2

Goals and Objectives

1. Work in teams or individually to conduct a project or write an essay or thesis (varies upon project and academic discipline of student).
2. Present their findings or work to an audience.
3. Begin thinking and preparing for career/grad

Receive training in preparation to conduct a research project or paper.
- Visit PCL and meet with Gina Bastone (WGS Librarian)
- Choose topic for paper/presentation
- Visit writing center for help on writing
- Host a writing tutor to visit cohort meeting
- Hold writing sessions and work on paper/presentation
- Practice presentation skills – public speaking

Leadership Training
- Discussions of current events and women leaders around the world

Discuss career goals and how INSPIRE can help
- Invite speakers: faculty, career people, or grad students
