Use this form to provide feedback to the Graduate Advisor and Graduate Coordinator. Feel free to attach any additional documents to this report, including interview guides, research proposals, drafts, etc. Please have your Thesis/Report Supervisor fill out the bottom portion of this form after you have completed the first two sections. Then return the completed form to the WGS office before registering for WGS 698A, 698B, or WGS 398R.

**Student Section: Reporting**

1. Do you have a topic for your project? If so, please describe it.
2. Do you have a research question? If so, please describe.
3. Have you done a literature review for your project? Please describe.
4. Have you begun collecting research or data for your project? If not, and you plan on doing so, please provide a timeline for your research or data collection efforts. If you are working with an existing data set, describe that set here.
5. Do you have a working draft of your thesis/report? If so, have you gotten feedback on your draft from your advisor?

**Student Section: Reflection**

1. What are some goals that you accomplished last semester?
2. What are the goals that you have set for this coming semester?
3. When do you anticipate completing your thesis/report?

**Student Signature:**

The thesis/report supervisor section
