Please use Adobe Reader to fill out this PDF form. Adobe Reader is available as a free download at: get.adobe.com/reader/ . Once you have completed the form, click on the "Save Data" button below. A dialog box will open, asking where you'd like to save the form on your computer. At this time, please change the file name from "Visiting Scholar Application Form.pdf" to your name (eg. "Andrea Golden.pdf") so that I can identify the file later. After saving the renamed file to your computer, simply email it as an attachment (along with your CV and research proposal) to me at amgolden@austin.utexas.edu.

Because the English Department has a limited number of spots for Visiting Scholars each semester, only those whose research would genuinely benefit from the department's faculty and resources will be considered. Spots are filled on a first come, first served basis, at least 6 months prior to the proposed begin date so that the J-1 VISA and DS-2019 can be processed. If accepted to the Visiting Scholars program, you will be notified by email of your faculty sponsor and given directions for beginning the VISA process.
