Course Description: UTL 360 will provide students with support for the student teaching experience and an in-depth application of the theory and practice that is necessary to design and deliver excellent instruction. Students attend a three-hour course on the UT campus as support for teaching on a high school campus. Students will begin teaching one to two classes then reach the maximum number of classes allowed after about three weeks. The cooperating teacher will work with the UTeach student to improve their teacher abilities as the semester progresses. The formative evaluation with the student teacher, cooperating teacher, and observer will be completed mid-way through the teaching experience. The summative evaluation with the student teacher, cooperating teacher, and observer will be completed at the end of the teaching experience.

Course Objectives:

Students will

- implement instructional strategies that meet the needs of a diverse student population.
- address curricular issues such as vertical and horizontal alignment, organization of content, and development of skills.
- design and deliver interactive lessons.
- prepare and implement learner-centered instructional activities.
- focus on-time/on-task issues during instruction.
- construct and implement a successful classroom management strategy appropriate for middle or high school students.
- apply state and national standards when designing lessons.

- analyze their own personality and learning style as it relates to teaching.

Student Teaching Experience:

- You are responsible for teaching as many classes (minimum of 2) as you can during the semester. Specific guidelines for student teaching and evaluations of your work will be provided. Your observer and CT will make periodic observations and will provide feedback to you. Both formative and summative evaluations will be conducted with the ST, CT, and observer present.
- A schedule is listed for the student teaching experience and for assignments due for the course are included in the detailed course syllabus.
- Check in at the front office of the school each day you are there. For security reasons most schools require that you pick up a guest pass before walking through the school. Introduce yourself to the receptionist and to the principal if you see him or her. Learn their names!
- Sign-in and out with your cooperating teacher every time you are there.
- Dress appropriately and professionally when going to schools. Follow the school's dress code for teachers. Avoid t-shirts with messages that could be offensive in a high school environment. Don't wear shorts or inappropriate footwear. (i.e. flip-flops)
- **Professionalism** is a must! Be on time and prepared. If you are unable to go to your school, follow the procedure listed below for emergencies. *Plan to make up your time at the end of your teaching experience.* If you are unable to attend the class, e-mail the coordinator and your instructor. Your mentor, your students, and your instructor are counting on you!
- **Immediately report any problems to your observer and the coordinator.**

IF AN EMERGENCY ARISES AND YOU HAVE TO MISS YOUR SCHEDULED HIGH SCHOOL CLASS, NOTIFY YOUR COOPERATING TEACHER, OBSERVER, AND YOUR INSTRUCTOR AS SOON AS YOU KNOW. Do not miss your teaching assignment due to a transportation problem. Be sure to add the time missed to the end of your teaching experience. Your students, cooperating teacher, observer, and instructor are counting on you.
