

URBAN STUDIES MATH REQUIREMENTS

A grade of C+ or higher is required in both Statistics and Calculus for students following the 2016-2018 through 2020-2022 Undergraduate Catalogs. Most Urban Studies students will complete the courses listed in **green**, but other options may be more appropriate for double majors, pre-med students, etc.

If you have completed a course that is **not** listed below that you believe should apply towards these requirements, please contact the Urban Studies Academic Advisor to petition. A course syllabus is needed to initiate a petition.
