

DISCOVERING YOUR NETWORK

Below is a list of the most common categories or groups of individuals in a college student's personal network. The categories are there to make it easier for you to think of people you know that may be a resource during your career exploration and job search process. Take some time to complete the worksheet, and do your best to fill up every line. Afterwards, star or circle the ones you might be able to talk to about your career or job search opportunities.
