Filed for Doctoral Candidacy? Yes No Not Applicable

Please return this form with the top portion filled out. Attach a 1-page essay describing the importance of the Graduate Portfolio in Mexican American and Latina/o Studies to your intellectual and professional goals.

Courses Proposed to Fulfill Portfolio Requirements: (This section may be completed after you begin your graduate program and have been accepted into the portfolio program.) Master’s students must complete 9 credit hours; doctoral students must complete 12 credit hours. For all students, two courses must be taken outside of your home department. No more than 3 unit hours of conference course credit with a MAS unique number will count towards a portfolio. All courses must be taken for a letter grade. Contact the Senior Academic Coordinator for updated course options.
