Tuesday - February 14, 2017
Workshop 1
GRADUATE SCHOOL PLANNING
Time: 3:30pm – 4:15pm
Location: CLA 1.302E
This workshop will feature a presentation by Veronica Heiskell, Career Counselor from The Vick Center for Strategic Advising & Career Counseling. This session will focus on resources and services available for students who are considering graduate school including information on how to research graduate school programs, the application process, and tips to become a strong candidate. We will also discuss information on career prospects post graduate school so students considering continuing their education can consider the longer term employment outlook and weather or not graduate school is the right path to help them meet their goals.

Workshop 2
VIPSY: PLAY A FUN INTERACTIVE CAREER CARD GAME TO GENERATE CAREER IDEAS
Time: 4:30pm - 5:15pm
Location: CLA 1.302E
This workshop led by Alison Devlin, Career Counselor from The Vick Center for Strategic Advising & Career Counseling will feature an interactive activity. VIPSY is a fantastic outside the box way to help students with broad academic and personal interests get some concrete ideas on possible career tracks.
Workshop 3

**PRE-HEALTH/CAREERS IN HEALTHCARE**

**Time:** 5:30pm – 6:15pm  
**Location:** CLA 1.302E  
This session led by Lesley Riley, Director of the UT Austin Health Professions Office will focus on resources and services available for students who are considering going into the health professions. Content covered will include hints to help you connect to practitioners to determine if a health professions career is right for you, tips on what you can do now to make yourself a more competitive professional school applicant, information on required tests, and the application timeline. In addition, we will explore some of the career options available after attending professional school so you can consider the longer term employment outlook to determine if pursuing a health profession is the right choice to help you meet your career goals. We will also discuss career alternatives to providing direct care in the healthcare sector such as health policy, the business of healthcare, information technology, and public health.

Information on the Plan II/UTSPH Public Health Program will also be provided. Through the Public Health Program, Plan II Juniors and Seniors earn a Graduate Certificate in Public Health from UTSPH and complete several Plan II requirements (Jr. Seminar & Thesis) focused around the theme of Public Health.
