**These courses may ONLY count when offered through the History department as HIS course.** Courses with the same title offered through another department may not count, unless they are also cross-listed with a history course. In order to ensure the course will fulfill the Plan II Non-US History degree requirement students must choose courses offered through the History department that appear on this list.

**NOTE TO STUDENTS:** Classes on this list are not offered every semester; consult the course schedule to find current offerings and plan your schedule accordingly.

**DISCLAIMER ON NEW COURSES:** This course list is updated every semester to include newly offered courses. ALWAYS consult an academic advisor before registering for a course not on this list to ensure the course is appropriate to fulfill the Plan II Non-US History degree requirements; if approved the course will be added to the list.
