ACADEMIC ANNOUNCEMENTS

"Changing the Way Business Thinks About Energy"

Tuesday, April 16 from 11:30 - 1 p.m.

The AT&T Conference Center and Texas Enterprise invite you to "Changing the Way Business Thinks About Energy" on Tuesday, April 16, by Plan II alum, Michael Webber, Ph.D., Associate Professor at the Cockrell School of Engineering.

The world is evolving, and global energy demand is shifting to meet the needs of a more modernized society. At the same time, the U.S. is entering an era in which markets, technologies and policies are enabling dramatic increases in production of oil, gas, wind, solar and bioenergy - in turn affecting global economies, the environment, and our national security posture. Professor Webber will identify the key trends that are reshaping the energy sector, including economic and population growth, industrialization, an expanding electrical grid, smarter energy systems, and a policy push for domestic, low-carbon, and renewable fuels.

The discussion will focus on how a newfound shift in economic philosophy is creating new business opportunities in the energy sector, allowing companies to increase profit margins while decreasing resource consumption - which will simultaneously boost the economy and protect the environment.

They will take place on the following dates: April 11, 16 and 17 at 5:30 PM in John Hargis Hall, and April 14 (Sunday) at 2:30 PM in Walter Webb Hall. You must attend at least one information session in order to apply. The info session will include an explanation of the job, the professional and personal benefits of being an ambassador, and the application process. This will be followed by a Q&A with current ambassadors. If you cannot attend an info session, you must stop by John Hargis Hall (The Admissions Center) or Walter Webb Hall (The Visitor Center) at any time to speak with a senior ambassador.

The final application deadline will be 5 pm on Friday, April 19th. All interested undergraduate students are encouraged to come to an info session to find out more about the position. Feel free to contact any Senior Ambassador with any questions you may have at admambassadors@gmail.com.

Each year, Delta Epsilon Psi partners up with the Neighborhood Longhorn Program to bring together student organizations and Austin-area elementary school children for one of the largest days of service on the University of Texas campus. PCT rewards these children with a carnival on campus for their attendance and academic records throughout the year. PCT also aims at giving these students a glimpse of college life and hopefully instill in them a desire to pursue higher education.

About Plan2News

Plan2News is published on Tuesdays and Fridays during the semester for students currently registered in Plan II and others associated with Plan II who send their e-mail addresses to planinewsletter@austin.utexas.edu. News items for the letter include announcements from the Plan II office and the Plan II Student Association and performances and exhibits by Plan II students.

Read the newsletter to learn about courses, registration, advising, job opportunities and special events.

Submitting to Plan2News

Please keep in mind that although Plan2News enjoys a substantial and diverse readership, its circulation is still relatively small. It should not be relied upon as the sole advertisement for a position or an event. To reach a wider audience, please use university-wide electronic and paper advertising outlets.

Personal and political announcements will not be published in Plan2News. Job and internships announcements must be sent to the Liberal Arts Career Services office, after which they may be considered for publication in the newsletter.

To place a news item in Plan2News, you must do the following:

• Type your news item in the body of an e-mail to planinewsletter@austin.utexas.edu.
• In the subject line, write “Plan2News” exactly.
• Give the name of a contact person with phone number or e-mail address.
• Provide an activity date or a deadline.
• Do not use “we” or “I.” Please write your submission in third person.
• Write in complete sentences and use correct grammar.
• News items will run until your deadline or through two issues of the newsletter if no deadline is provided.
• The text of submitted newsletter items (including job and internship postings) must be fewer than 150 words, not including headline and contact information. Please edit your entries to this length before submission. An overly lengthy entry will be returned to its sender and will not appear until this standard is met.
• Send your news item to planinewsletter@austin.utexas.edu no later than 2 p.m. on Monday (for the Tuesday letter) or 2 p.m. on Thursday (for the Friday letter). The 2 p.m. deadline is final. Do not send your message to any other address. No one else can approve news items for inclusion in the Plan II newsletter and no other address will be used to receive entries.
