**Plan II Paid Internship Position at LLILAS for the 2013-2014 Year**

Apply by: ASAP

The Teresa Lozano Long Institute of Latin American Studies is a multidisciplinary institute that integrates several centers and programs devoted to promote interest in the region. LLILAS is the oldest Latin American Studies program in the United States and one of the best worldwide.

Plan II and LLILAS have partnered to offer a paid internship program designed to provide Plan II students with the opportunity to gain professional experience by learning about the work of multiple programs within LLILAS or to develop research skills by working with some of our most distinguished Latin Americanist faculty. The internship would be a great opportunity for those students interested pursuing graduate degrees or working in Latin American affairs; international public policy, international education as well as in any Social Sciences discipline. The position is not benefits-eligible, but there is a stipend of $1500 per semester, for which the intern is expected to put in a 10-hour work week during the fall and spring (schedules are negotiated with the respective supervisor).

**APPLICATION DETAILS:**

LLILAS currently has internship openings in several offices/programs (details below); only one student will be selected for the paid Plan II internship position. Students who are not selected for the paid Plan II position may be offered an unpaid internship position. Please review each of the job descriptions below and indicate which specific position you are applying for on your application. You can apply to more than one, but if you do, please rank them in order of preference.

Please e-mail all application materials to **Paloma Diaz** between April 10, 2012 and April 25, 2013 (we encourage early applications and will begin interviewing applicants as soon as possible). The application package should include: (1) a résumé indicating language and computer skills; (2) a cover letter stating why you are interested in the position or positions (including research topics or disciplines of interest); (3) information about your spring schedule and available hours; and (4) the name and contact information of at least two UT faculty members or previous employers who are willing to provide us with references. (Note: The LLILAS Research Internship also requires a copy of your transcript.)

**CURRENT LLILAS INTERNSHIP OPENINGS:**

**Development Office**

The Development Office coordinates fundraising efforts for LLILAS, including major gifts, annual giving, alumni relations, and special events. We are looking for an intern who can help us implement a series of activities related to these goals. Duties include (a) assisting with alumni communications; and (b) helping to coordinate special events and programs for donors and other supporters, including receptions and talks. Intermediate to advanced proficiency in Spanish and/or Portuguese is a plus.

**Multimedia and Video Production**

This internship position will help us to enhance our multimedia resources (videos and audio podcasts), and interns will gain the opportunity to showcase their work through our website and social media outlets. Interns will be in charge of filming our events and producing a series of short clips featuring our scholarly activities, including interviews with faculty, visiting professors, or students, highlights of public programs, etc. Duties include filming and video production (video and/or audio editing, preparation of graphics, titles, translation subtitles, music, and photos) plus audio podcast editing and mixing. Candidates should have access to all the necessary equipment including cameras, mikes, and appropriate software. Applicants should submit a cover letter, résumé, and online portfolio with sample of videos produced.

**Office of the Directors**

The Office of the Directors provides administrative, planning, and coordination support to the institute's Director and Associate Director. In addition, the office serves as the main interface between the institute and faculty, students, and public and private entities. These initiatives take the form of conferences, workshops, and special projects headed by both directors, and take place within the university as well as locally and internationally. The Office of the Directors seeks an intern to assist in daily administrative activities as well as coordination support for several of the initiatives and special projects that will take place during the semester. Basic knowledge of Word and Excel is also required.

**Photography**

The intern would provide photographic coverage of selected LLILAS public events and other LLILAS programs as needed. This internship represents a great opportunity for broadening your experience: selected photos can be posted on our website and our social media sites or used in our publications (work will be credited). Successful candidates should have experience taking high-resolution digital photographs and should have access to a high-quality digital camera. Access to other photographic equipment, such as a variety of lenses, tripod, and flash, is a plus. The candidate should also have basic experience with photo editing.

**Public Engagement**

LLILAS Public Engagement has built a nationally recognized program that extends university expertise to K–12 education, businesses, community organizations, and the public at large. Public Engagement delivers new knowledge, dismantles common misconceptions, and fosters cross-cultural dialogue. We seek interns who have a passion for Latin American Studies and want to help others learn about the region. Duties will focus on research and resource gathering for the development of new K–12 curriculum units and teacher training modules; participating interns will receive credit in published materials for their contribution. Applicants should be able to demonstrate strong organizational and research skills. Basic knowledge of Word and PowerPoint is required; new media skills are a plus.

**Research**

LLILAS is recruiting UT undergraduate students to work with UT faculty during the spring 2013 semester. Our Latin Americanist faculty produce cutting-edge research on a broad range of topics and disciplines and help to maintain the academic leadership of the institute. Duties may include literature research and review; data manipulation, analysis, and interpretation; organization of research materials (data, texts, articles); other related duties assigned by faculty. Successful candidates will be paired with faculty according to their specific areas of interest. Previous research experience is a plus, as is intermediate to advanced proficiency in Spanish and/or Portuguese.

Plan II Honors Rowe Koehl Travel Award
Application deadline: April 15

Thanks to a generous gift from Judy ('63) and her husband Mike Koehl, Plan II is able to offer the annual Rowe Koehl Travel Award. This award is intended to help fund one student's self-guided exploration abroad.

This scholarship is not listed in the Online Scholarship Portal. To apply, write a one page proposal of your travel plans that includes where you plan to go, why you plan to go there, and what you hope to learn. For example, do you have a burning curiosity about a distant land? Are there specific questions you would like to answer about a foreign culture? If so, tell us about them. In most cases, the awardee will not be traveling abroad for academic credit, but rather to explore their world. Send your letter of application, together with a proposed budget and your EID to the Plan II Travel Grant Coordinator, Phillip Dubov at planiischolarships@austin.utexas.edu.

Winners of the Rowe Koehl Travel Award are required to submit a short report of their experience to the donors, with a copy to Plan II, after travel is complete.

The Rowe Koehl Travel Award is $2000. Travel occurs during the summer semester. Questions: Phillip Dubov phillip.dubov@gmail.com

Apply for a 2013 Summer/Fall Plan II Travel Grant
Deadline: April 15

PURPOSE: Plan II Travel Grants are made to Plan II students only, for academic purposes such as:

• Attending a conference in your field
• Study abroad (any program, whether or not sponsored by UT)
• Gathering data in anticipation of a thesis project (SENIORS: If you are enrolled in the thesis course, use the Plan II Thesis Grant, even if you are traveling to do research: http://www.utexas.edu/cola/progs/plan2/current_stdnts/scholarship/thesis-grant.php)
• Plan II does not help you pay for nonacademic travel.

NOTE: Plan II Travel Grants are not intended to cover the entire cost of your proposed travel or project. Only one type
of grant will be awarded per student, per travel program or project.

WHEN TO APPLY: Plan II conducts two rounds of grant applications each year. For travel in the summer semester OR the following fall/full academic year, students should apply in the spring. For travel occurring in the spring semester or a Maymester, students should apply during the fall round.

AMOUNT: Awards typically range between $500 and $2,000. In most cases, Plan II will pay only part of your costs for the trip. You must therefore seek funds from other sources as well, but your Plan II application must show all of your expenses for the trip.

SPECIAL NOTE - RESTRICTED TRAVEL: The University of Texas System requires all travel to countries with U.S. Department of State Travel Warnings to be reviewed and approved by the University's International Oversight Committee (IOC). Students wanting to travel to restricted regions category 1-3 must complete a Student Request to Travel to Restricted Regions form. We strongly advise students to complete this form during the program application process. Waiting to complete the petition process could result in a student not receiving a travel clearance or denial in time for departure. Individual students concerned about this policy should direct questions to their specific study abroad Program Coordinator before contacting the UT International Risk Analyst.

HOW TO APPLY: Apply using the College of Liberal Arts Online Scholarship Portal.
• If you have not used the system before, you will have to complete a one-time profile. Then you will see a list of scholarships for which you are eligible to apply.
• Look for the scholarship titled, "Plan II Travel Grant - 2013" This application may be used for either domestic or conference travel or study-abroad.

ACADEMIC ANNOUNCEMENTS

Join the Strauss Center for "The Fourth Policeman: FDR’s Vision for China’s Global Role"
Wednesday, April 10 at 5:10 p.m.
Sid Richardson Hall, Room 3.124

Manela, Professor at Harvard University, on Wednesday, April 10 at 5:15 pm in Sid Richardson Hall, Room 3.124. Refreshments will be provided.

It is well known that US president Franklin Roosevelt envisioned a postwar order based on four great powers, the so-called “four policemen”: the United States, the Soviet Union, Great Britain, and China. But why did Roosevelt insist on including China among the four policemen when China had long been considered a minor power and when his other wartime allies, Churchill and Stalin, both strongly opposed the idea? This talk will explore this question and show how it shed light on US global strategy in the 1940s and since.

Erez Manela is professor of history at Harvard University, where he teaches international history and the history of the United States in the world. He is the author of the prize-winning book The Wilsonian Moment: Self-Determination and the International Origins of Anticolonial Nationalism (2007) and co-editor of The Shock of the Global: The 1970s in Perspective (2010). Professor Manela is currently completing a book that situates the World Health Organization's global smallpox eradication program in the 1960s and 1970s within the broader history of the postwar era and also co-editing a volume, Empires at War, 1912-1923, which will explore the history of World War I as a war of empires, rather than nation-states. His most recent research focuses on Sino-American relations in World War II.

"Changing the Way Business Thinks About Energy"
Tuesday, April 16 from 11:30 - 1 p.m.

The AT&T Conference Center and Texas Enterprise invite you to "Changing the Way Business Thinks About Energy" on Tuesday, April 16, by Plan II alum, Michael Webber, Ph.D., Associate Professor at the Cockrell School of
Engineering.

The world is evolving, and global energy demand is shifting to meet the needs of a more modernized society. At the same time, the U.S. is entering an era in which markets, technologies and policies are enabling dramatic increases in production of oil, gas, wind, solar and bioenergy - in turn affecting global economies, the environment, and our national security posture. Professor Webber will identify the key trends that are reshaping the energy sector, including economic and population growth, industrialization, an expanding electrical grid, smarter energy systems, and a policy push for domestic, low-carbon, and renewable fuels.

The discussion will focus on how a newfound shift in economic philosophy is creating new business opportunities in the energy sector, allowing companies to increase profit margins while decreasing resource consumption - which will simultaneously boost the economy and protect the environment.

About Plan2News
Plan2News is published on Tuesdays and Fridays during the semester for students currently registered in Plan II and others associated with Plan II who send their e-mail addresses to planinewsletter@austin.utexas.edu. News items for the letter include announcements from the Plan II office and the Plan II Student Association and performances and exhibits by Plan II students.

Read the newsletter to learn about courses, registration, advising, job opportunities and special events.

Submitting to Plan2News
Please keep in mind that although Plan2News enjoys a substantial and diverse readership, its circulation is still relatively small. It should not be relied upon as the sole advertisement for a position or an event. To reach a wider audience, please use university-wide electronic and paper advertising outlets.

Personal and political announcements will not be published in Plan2News. Job and internships announcements must be sent to the Liberal Arts Career Services office, after which they may be considered for publication in the newsletter.

To place a news item in Plan2News, you must do the following:

• Type your news item in the body of an e-mail to planinewsletter@austin.utexas.edu.
• In the subject line, write “Plan2News” exactly.
• Give the name of a contact person with phone number or e-mail address.
• Provide an activity date or a deadline.
• Do not use “we” or “I.” Please write your submission in third person.
• Write in complete sentences and use correct grammar.
• News items will run until your deadline or through two issues of the newsletter if no deadline is provided.
• The text of submitted newsletter items (including job and internship postings) must be fewer than 150 words, not including headline and contact information. Please edit your entries to this length before submission. An overly lengthy entry will be returned to its sender and will not appear until this standard is met.
• Send your news item to planinewsletter@austin.utexas.edu no later than 2 p.m. on Monday (for the Tuesday letter) or 2 p.m. on Thursday (for the Friday letter). The 2 p.m. deadline is final. Do not send your message to any other address. No one else can approve news items for inclusion in the Plan II newsletter and no other address will be used to receive entries.
