

Please list two instructors who can serve as references to your academic abilities (preferably at UT but not required)

RESEARCH INTERESTS

Have you had any especially rewarding research experiences while in college? Please describe **briefly**.

Please describe your major areas of interest (substantive and geographic) in CREEES. If you already have possible topics for your honors thesis in mind, please describe them below:

OPTIONAL

Is there any additional information you would like to add concerning your academic abilities and desire to participate in the honors program?

Please submit this completed form and a sample of your written work to Dr. Christian Hilchey, Honor's Advisor, DSES. Phone: 512-471-5502; E-mail: hilchey@utexas.edu
