## Indigenous Resurgence: A Present Past

**Fall 2018**

**INSTRUCTOR: LUIS CARCAMO-HUECHANTE**  
**TTH 9:30-11AM**  
**BEN 1.108**

This course will analyze and discuss ways in which retelling, documentation and/or invocation of the past shapes different forms of self-representation by indigenous authors as response to colonialism in late 20th and early 21st century Latin American societies. Poetry, novels, historical documents, film, music, etc. will help us to analyze old and new media that enable indigenous individuals and collectives to retell the past within the present.
