Contact Spanish in the U.S

**Fall 2018**

**INSTRUCTOR: JACQUELINE TORIBIO**

**TTH 9:30-11AM**

**MEZ 1.208**

This course presents an overview of the language situation of established and emerging Spanish-speaking communities in the United States. Particular attention is devoted to the dynamics between the linguistic and the socio-psychological factors that modulate Spanish language variation and usage.
