Exhibit

Other _____

Credit must be given to TARL either as repository curating the specimen or as the source of a photographic image. Credit line should also include the name of the photographer (if known), "Courtesy of Texas Archeological Research Laboratory, The University of Texas at Austin," and the image catalog number and TARL accession number, unless otherwise specified. With printed matter, the credit line should appear on the same page or the page facing the illustration, or with other "Sources of Illustrations." Crediting of each individual item is necessary in all cases.
