The University of Texas at Austin
UTeach - Liberal Arts
UTL 202 Weekly Observation/Teaching Log

Only one log is to be completed per week. Do not submit multiple weeks in one document.

Student Name: ________________________________

UTL 202 Instructor: ________________________________

Cooperating Teacher: ________________________________

School: __________________________________________

District: __________________________________________

Ex: On a given day, if you observed and/or taught for 1 hour and 13 minutes, enter in 1 hour for the number of hours and 13 for the number of minutes. If you were there for only 45 minutes, leave the hours blank and enter 45 for the minutes.

_______ Total Weekly Minutes (includes hours converted to minutes)

_______ Total Weekly Time Logged = Total Weekly Minutes/60

Note: If total weekly time logged is 2.17, it does not mean 2 hours and 17 minutes. It is 2 hours and 17/100 of an hour, or .17 x 60 which is approximately 10 minutes.)
