AT WINEDEALE

PRESENTS

WILLIAM SHAKESPEARE'S

THE WINTER'S TALE

APRIL 29-30, 1994
The class presenting the play is a semester version of the summer SHAKESPEARE AT WINEDALE program. The members of the class receive three hours credit for their work. Their class meets twice a week in Austin and they have visited Winedale on three different weekends to prepare the play.

We would like to thank Andy Ferrall, a sixth grader at Webb Middle School in Austin, for playing our Mamillius.

Please join us for our 24th summer performances. They begin July 28th and continue through August 21st. Our schedule is on the back of this program.

Please sign our guest list at the front of the barn if you would like to be on the mailing list for SHAKESPEARE AT WINEDALE.
